

Halloween Haikus

Halloween is fun
Dressing up your alter ego
Big boo to you, too.

It's a scary time
Goblins, witches lurking here
In the dark of night.

I peek out the door
“Trick or Treat” is what I hear
I offer candy.

Moon Haiku

When the moon is full
The police blotter is, too.
I wonder why?

Coyote Haiku

I saw a coyote
Walking on the frozen pond
Seeking his next meal

He walked pridefully
With his bushy tail swaying
In his element.

Bugs Haiku

I hear the crickets
At dusk they make their sound
Is there a message?
